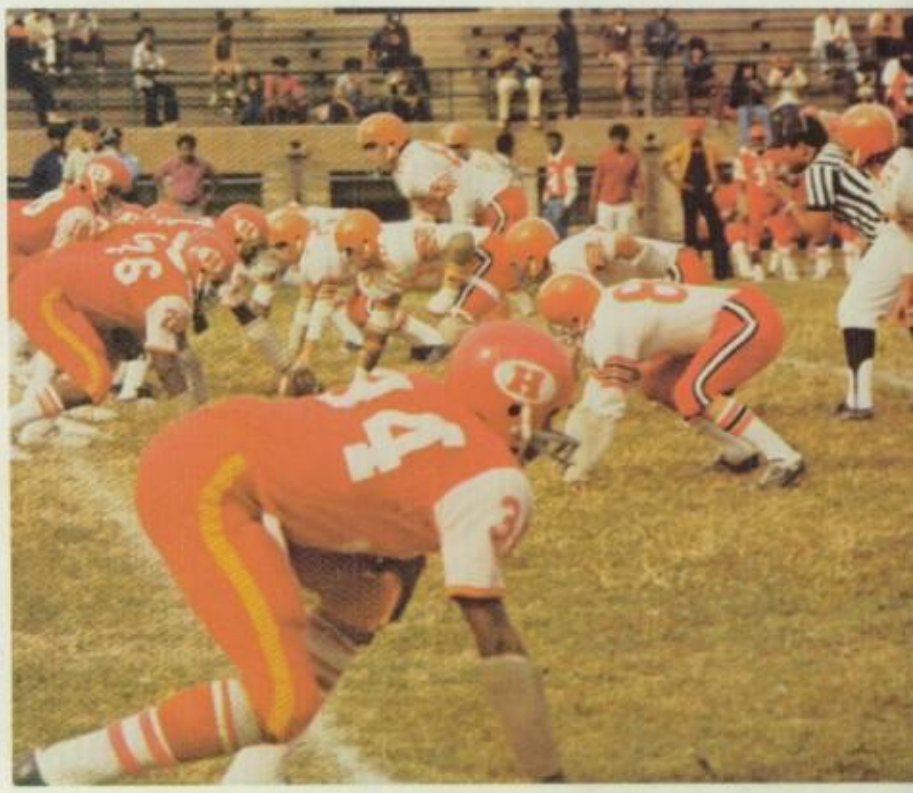
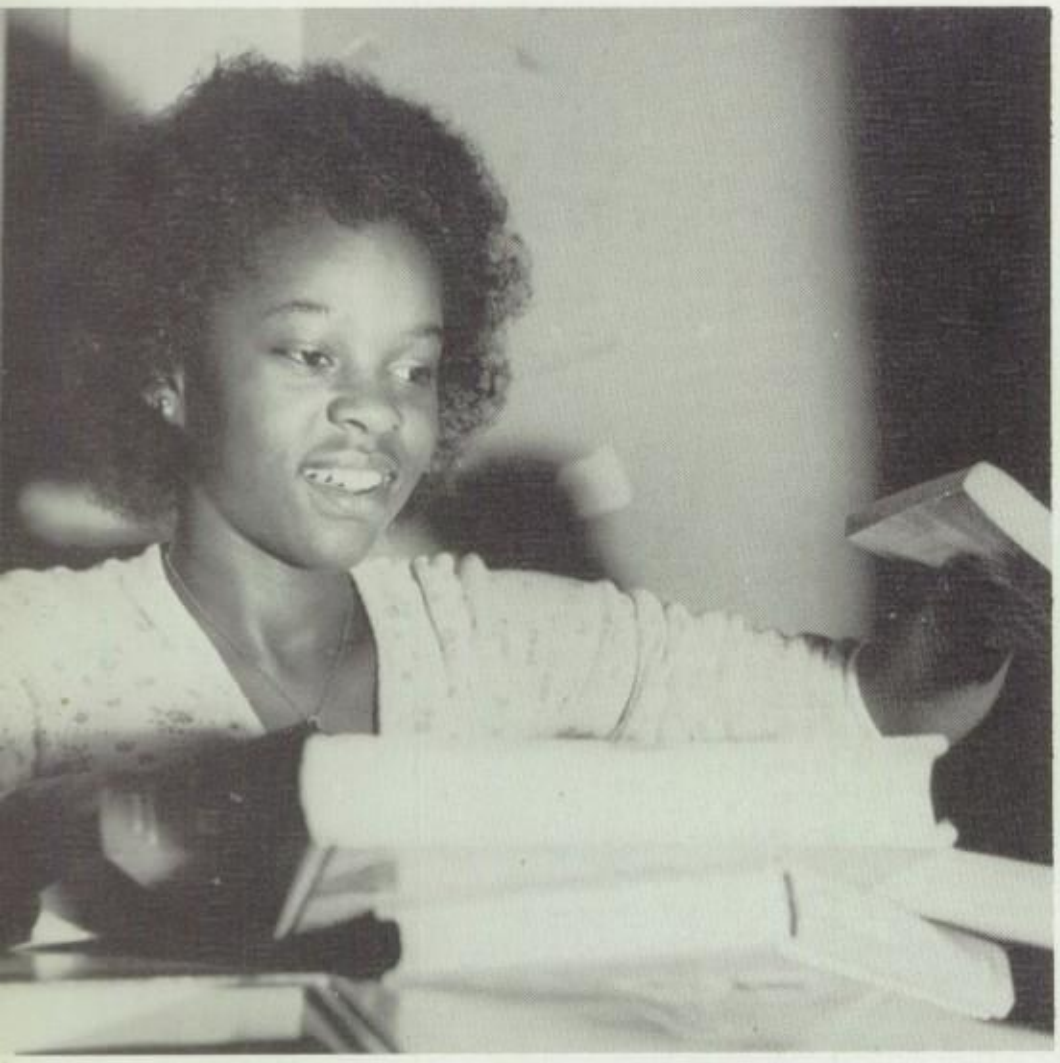
LIFE

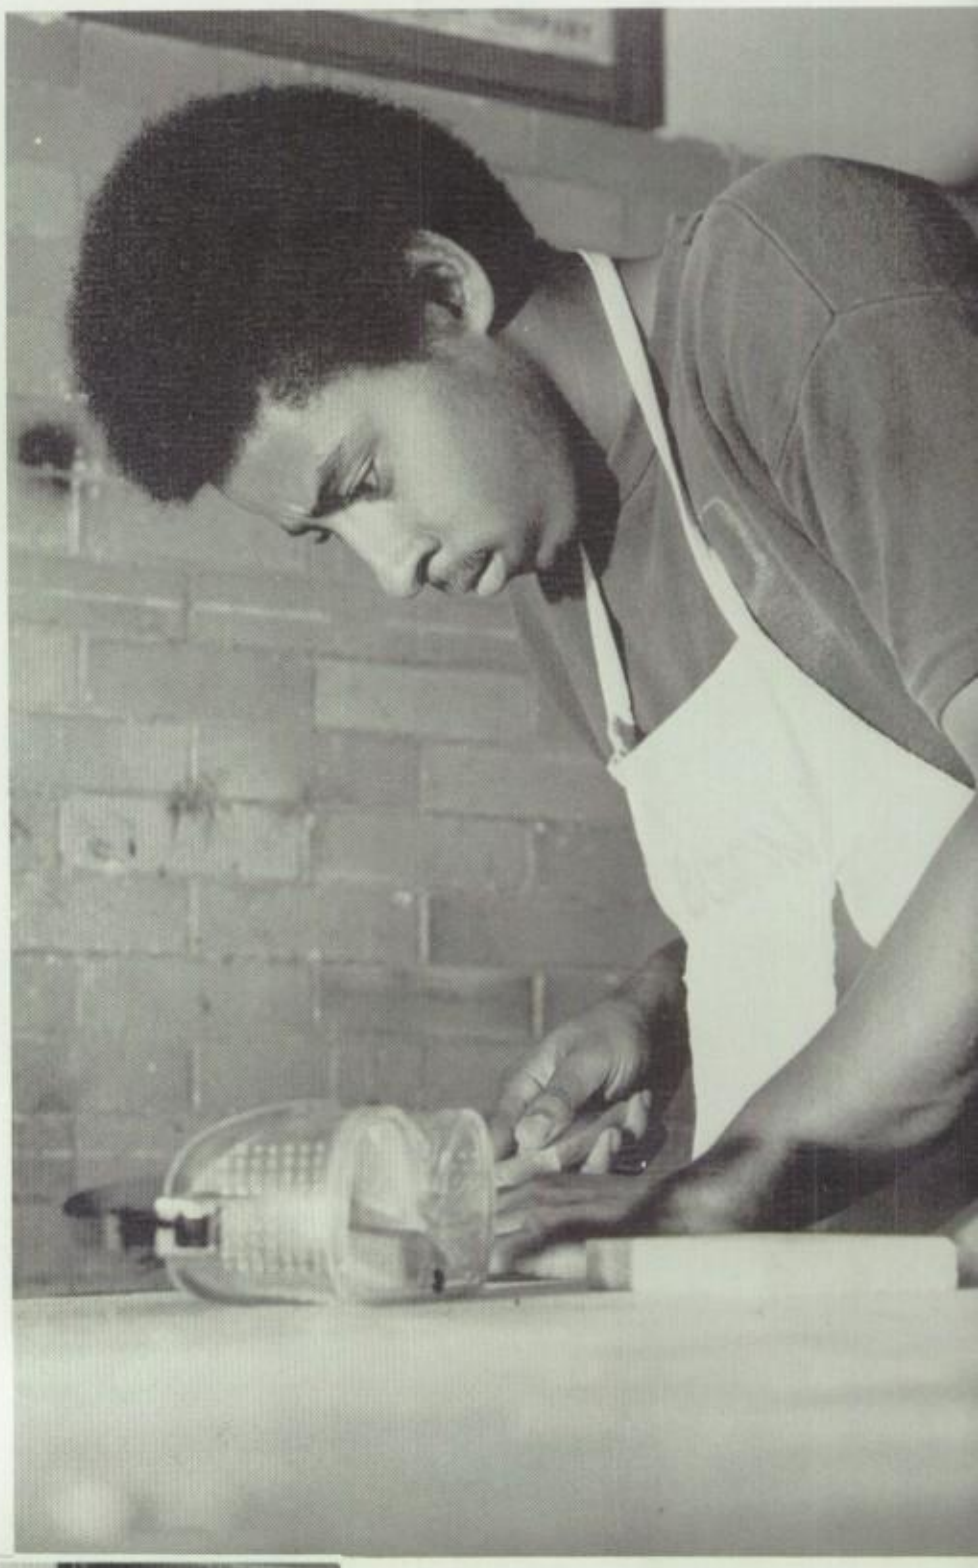


HUSKIES

GETTING IT ON



A HUSKIE IS...

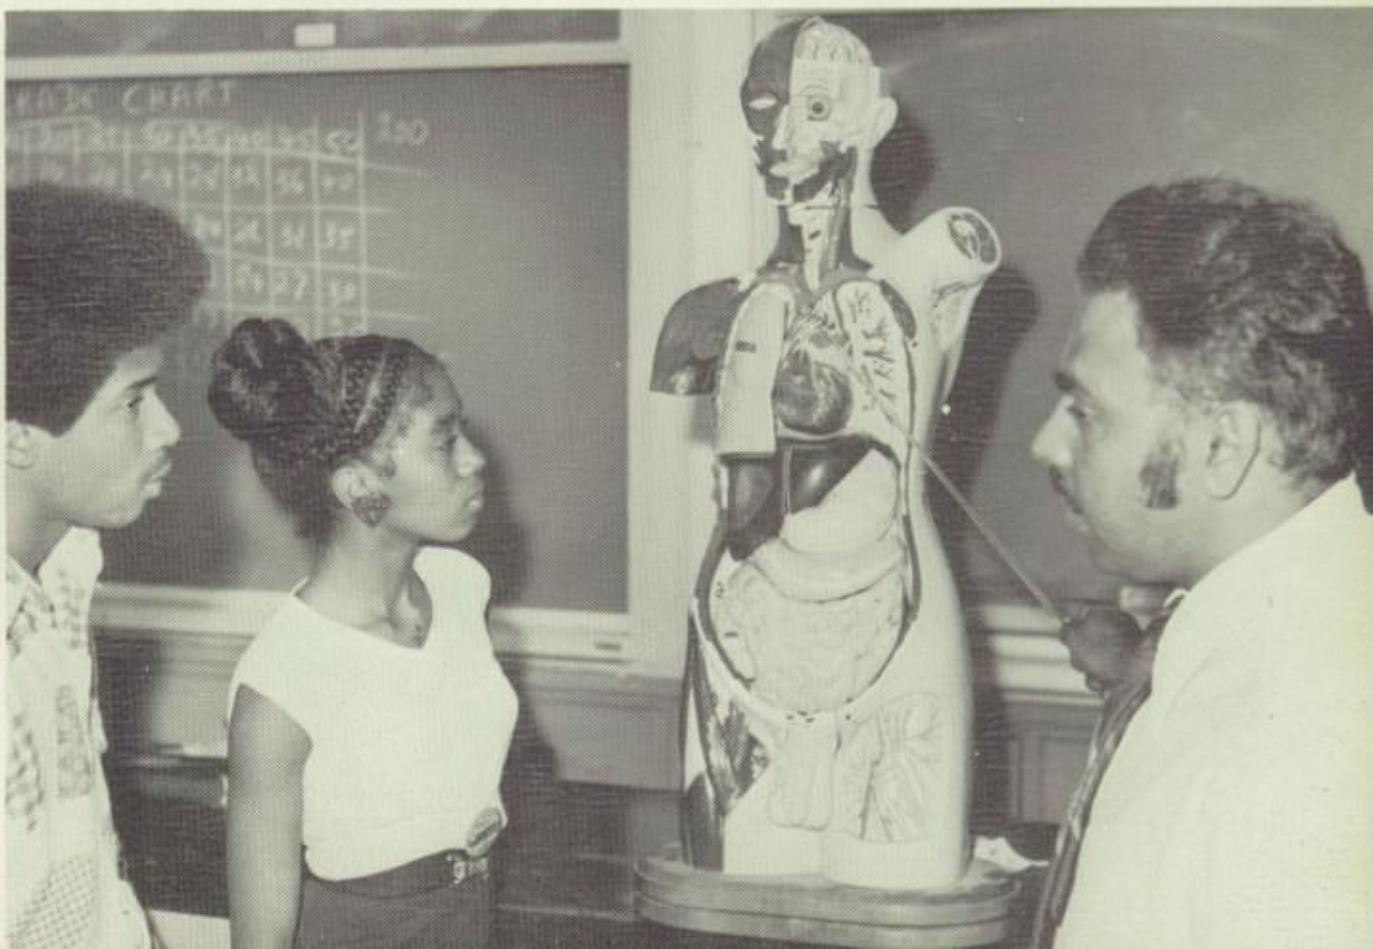


FINDING...

friendship,
finding areas of interest
and success,
various situations,
sometimes frustrations,
and how to cope.

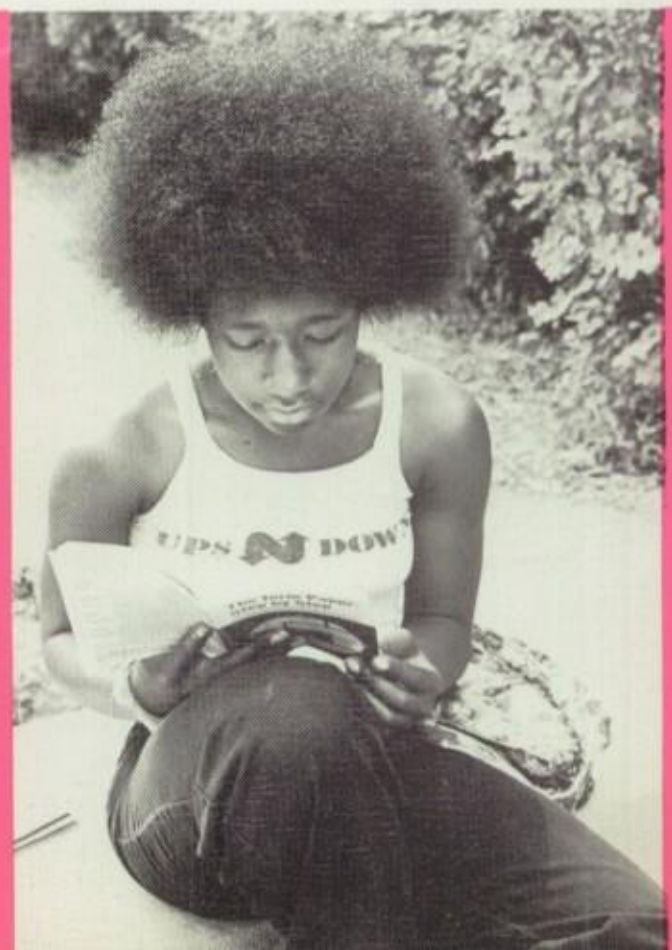
CHANGING...

becoming wiser,
becoming mature men
and women.



BEING...

true to one's self
without compromise,
but without inflexibility;
able to keep
an eye on the future,
but living in
the present



SEEKING...

various goals,
wisdom or the means
to attain it.
Seeking skills,
social activities,
and a diploma.

PREPARING...

for the future
by acquiring knowledge,
acquiring skills
and by acquiring
the ability
to *deal* with people
you don't get along with.

REALIZING...

a person's true potential
and his rights
as a individual.

Leadership, direction and organization are essential to the smooth operation of an institution of learning. Planning, programming, reporting, evaluating, diplomacy, discipline and many other administrative functions and decisions make heavy demands on our four administrators. The decisions of these four people have an impact on the lives of students and staff—over 2000 people!

Hirsch High School is fortunate to have four such capable and dedicated leaders.

WOMAN

was made from the rib of man
she was not created
from his head—
to top him
nor from his feet—
to be stepped upon.

SHE was made
from his side—
to be equal to him:
from beneath his arm—
to be protected by him:
near his heart—
to be loved by him.

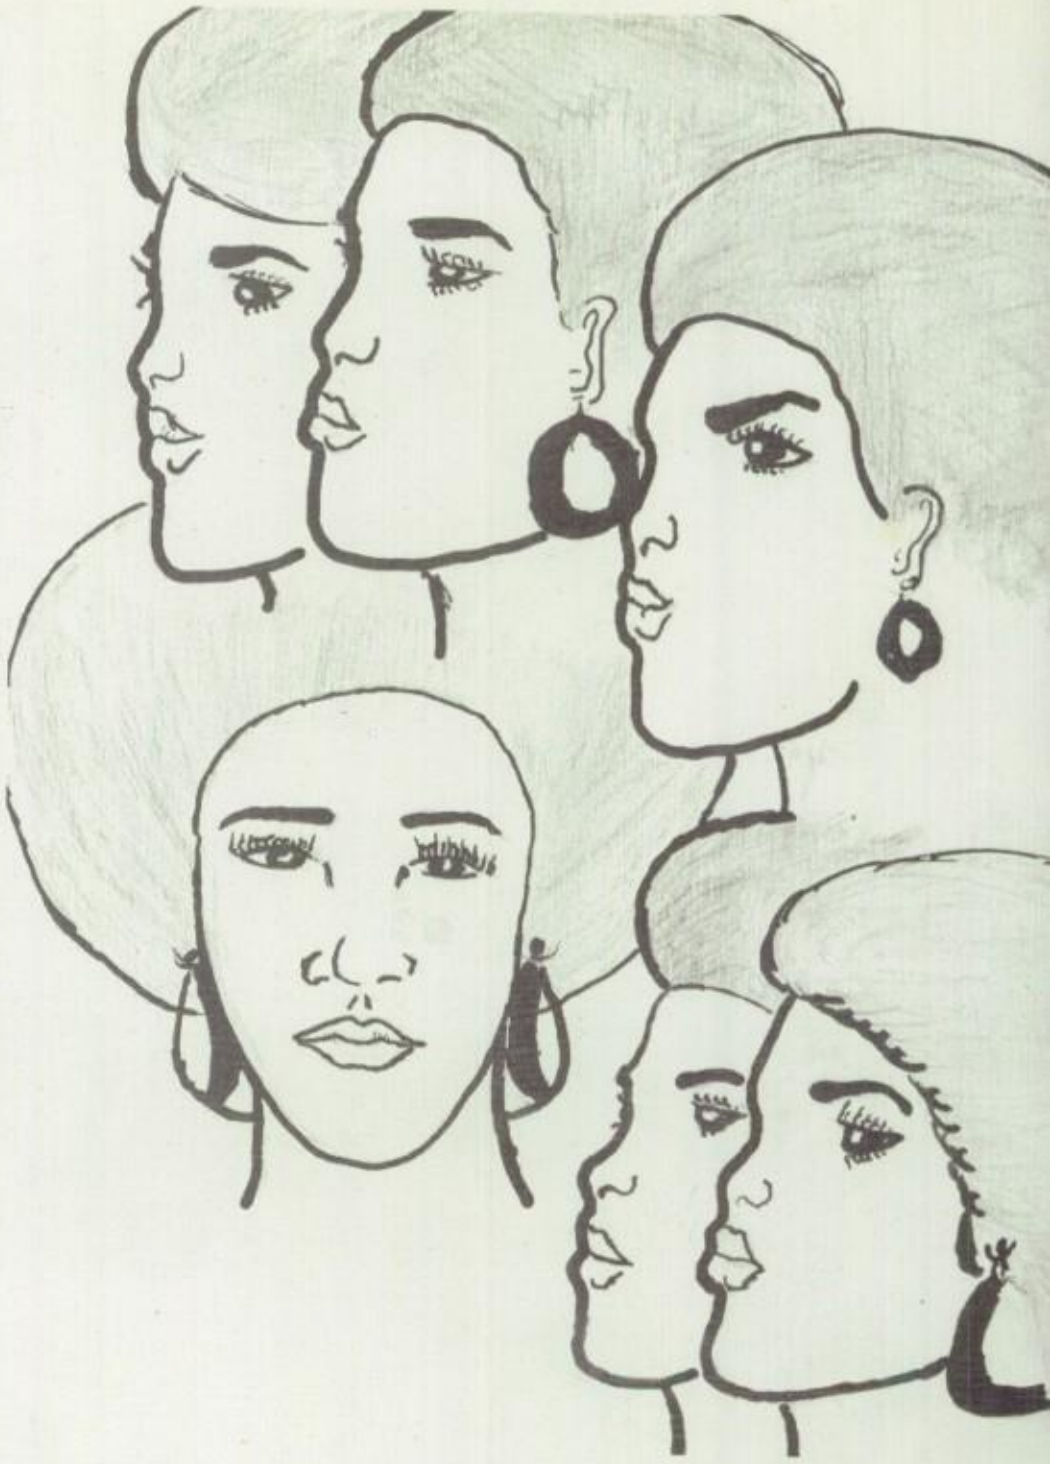
FRESHMEN CLASS 1975

When classes are over many Huskies hate to leave the building. When classes are in session, many Huskies hate to leave the halls and stairways.

BLACK WOMEN



BLACK WOMEN

by Cheryl Edwards and Randi Lash

Beautiful, Black Women
You are truly a touch of
Black Velvet. Innocent, soft
like those of a dove's feather
Gentle as the sun's warm rays that
shine upon me with every new day.
Your physical awareness and knowledge
is truly a touch of
Black Velvet.

Black Women
Proud Black Women
Courageous Black Women
You should be praised in all your
in all your "wonderment".
Your name should be held
above all mankind, because with all
the things you have done you
could
Blow
Their
Minds.

B rave and Bold
L ovely to look at and Behold
A necessity in every Black man's life
C ourageous and Creative
K ind and Gentle. . . . . .

W arm and Wonderful
O ptimistic as well as open-minded
M elodious in voice
E nchanting and full of Spice
N othing but the BEST. . . . . .

YEARBOOK STAFF

Happiness is working on the Maroon to create a dynamite yearbook. This year's staff worked extra hard to make a yearbook that everyone will enjoy. The 1975 yearbook owes its successful existence to the efforts of a "together" staff. Special thanks are extended to United Studio and John Hoey for their creative photography, to Mrs. Busiedlik and Mr. Mitchell for their technical expertise and to Mr. Kelleher for his understanding co-operation. While looking through the yearbook, we hope you'll find some memorable moments in your life.

HUSKIES IN THE PLAY OFFS

The Hirsch Varsity Football Team definitely had their plays together this '74-'75 season. The over-all record was *6* and 4. We beat all but two schools on the Homecoming games and of course, we won ours! After three shut-outs in a row we certainly felt that our way was the way to go. When competing in the play-offs, we finished in second place. Now that's a season you can look back and smile on. Next year looks brighter than this. Look out Pros!

FROSH-SOPH FOOTBALL

Hirsch's Frosh-Soph squad had a very successful 1974-1975 season. With the help of some experienced sophomores and determined freshmen, the team struggled to a 4-2 record. They tied Carver for second place honors in their division. Over-all their record was 5-3. Even though some of the members will be moving to the Varisty team next year, we can still expect a good record again next year. With the outstanding coaching of Mr. Tools, how can they miss. Look Out, Varisty!

STUDENT LIFE

HOMECOMING

There's only one word that can describe the Hirsch 1974 Homecoming . . . TOGETHER. Actually other words can help to describe the joy of our victorious game. It was smashing, rocking, and cold. It was a game well played, a battle well fought and a job WELL DONE.

VICTORY IS SWEET

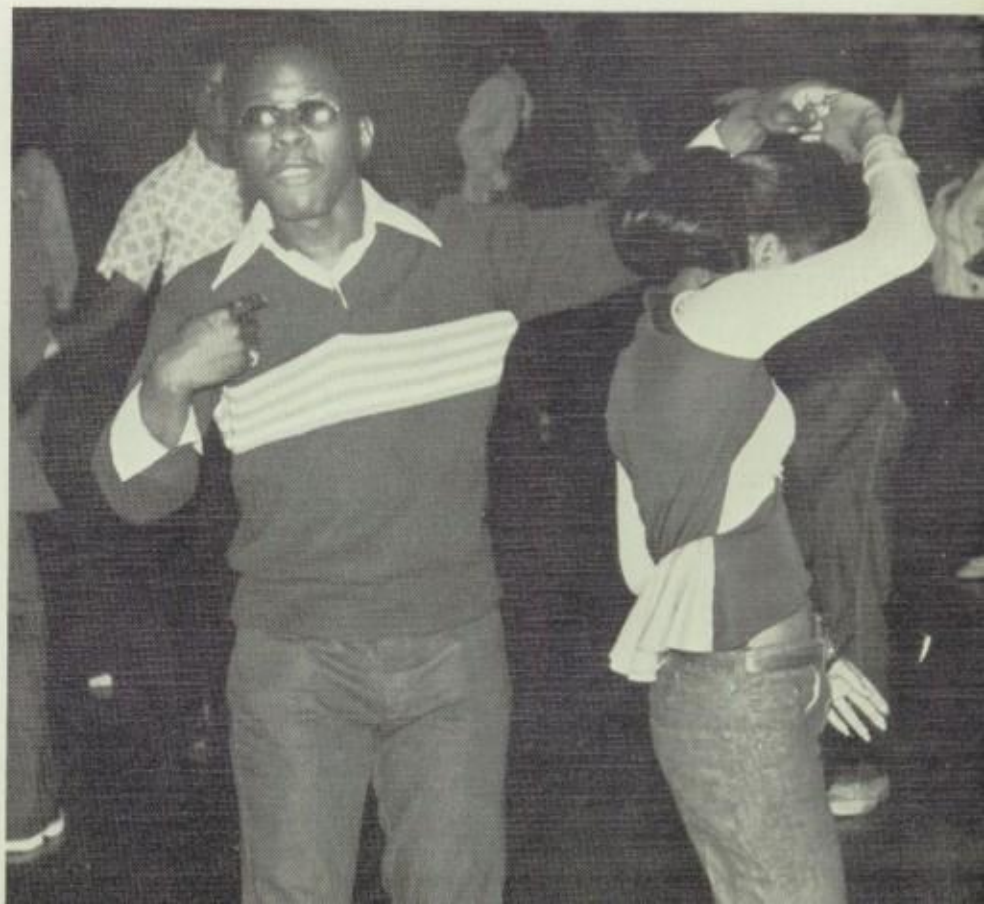
HUSKIES BUMP DOWN



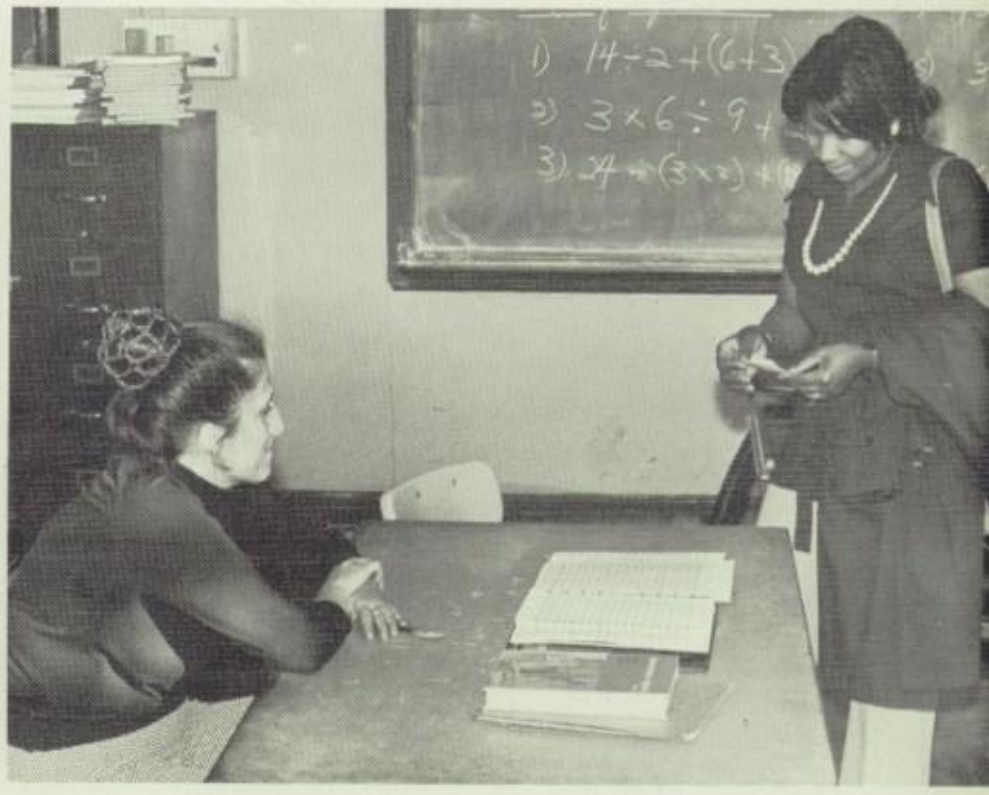
COLUMBUS DAY PARADE

Stepping out in style at the 1974 Columbus Day was the Hirsch High School band. The new uniforms were an addition to the already "together" group of musicians. Under the direction of Mr. Hunter, funds were raised over a period of time to make uniforms possible for the first time in Hirsch's history. To all benefactors who aided in making the "New Look" possible, the Hirsch Band sends its thanks.

DRILL COMPETITION

This is an annual event which takes place in November. The Hirsch drill platoon is made up of 32 members and two additional leaders. There are four squad leaders in the platoon. Hirsch squad leaders were: Michael Hudson, Kenneth Bryant, Gary Hendrix and Marshall Morrison. The platoon leader, Captain Dwight Edwards and his prompter, Major Malcolm Dunn led the Hirsch platoon to fourth place in the competition. Hirsch should have placed higher, but a mix-up in procedure cost the Huskies valuable time and points. Next year for sure!

OPEN HOUSE

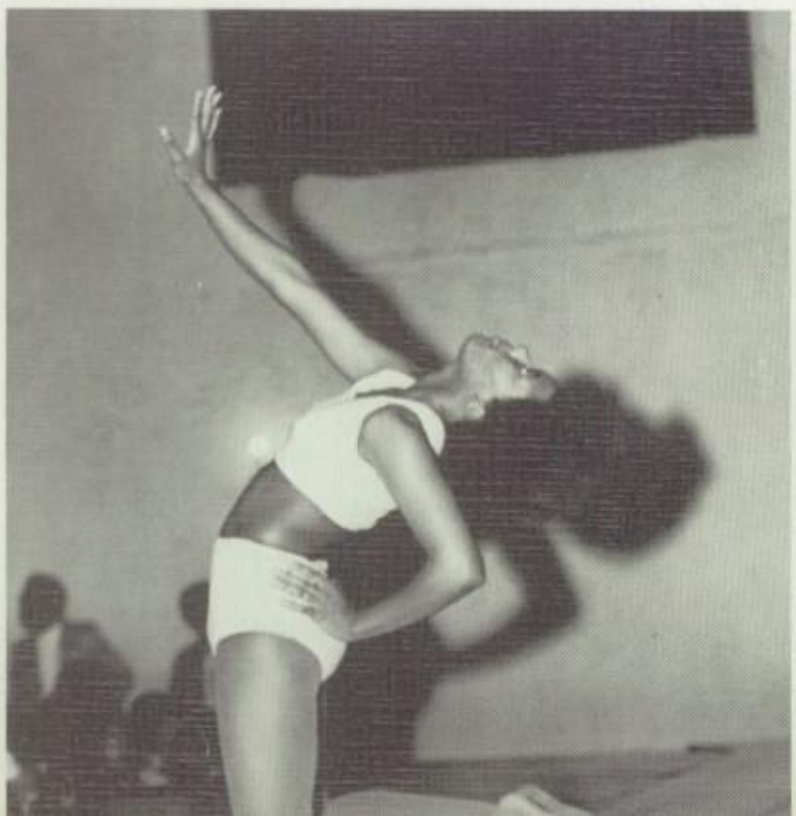


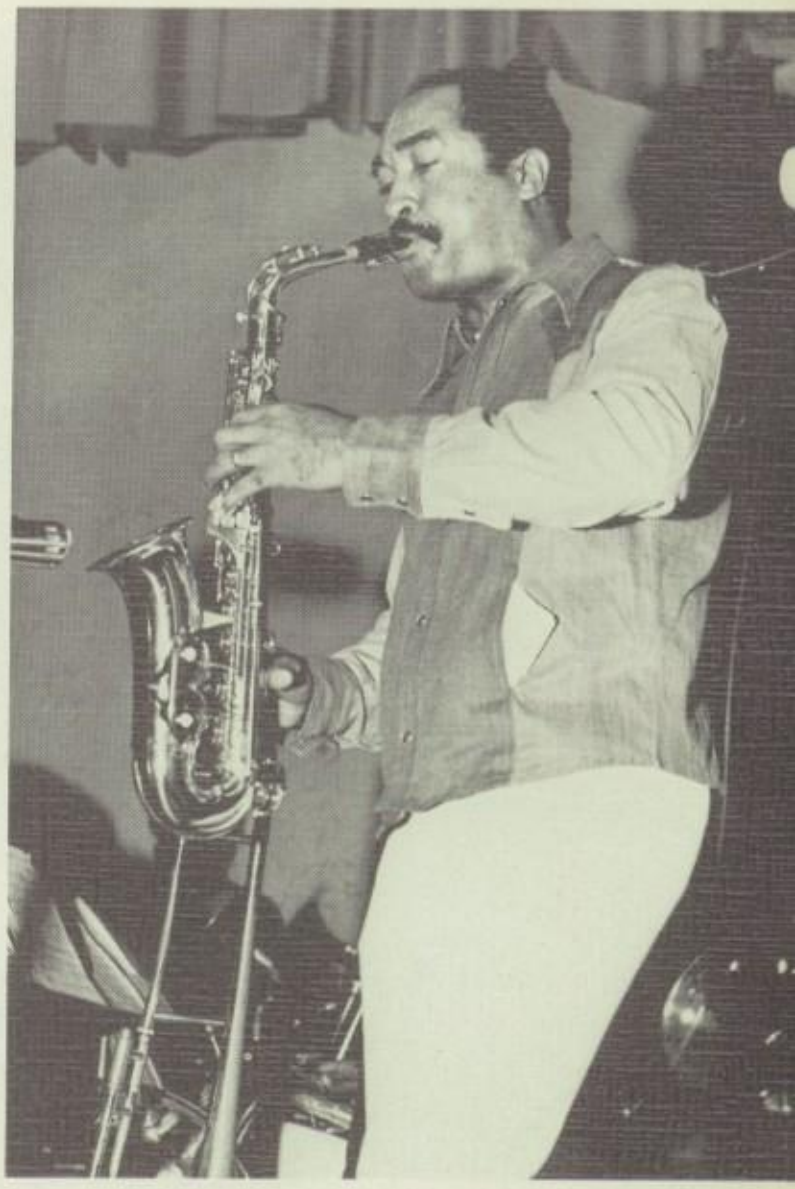
Open House is enjoyed by both teachers and parents. Twice a year the school's schedule is adjusted so that teachers are free to meet and confer with concerned parents. Parents enjoy meeting with teachers and in many cases hearing the praise the teachers have for their children. Communication between school and home is always for the benefit of students.

WINTER FESTIVAL

Talent lives at Hirsch. Anyone who attended the Winter Festival can vouch for that. The choral groups, the band and our Modern Dance Troupe all gave brilliant performances. The Hirsch Music Department with the direction of Mrs. Moore, Mrs. Beaudoin, and Mr. Hunter seems to be able to always bring out the talents of the Huskies.

The Modern Dance Troupe, now under the direction of Miss Kishkunas continues to be "highly-rated" in city competition and "super-rated" at Hirsch.





On October 25, "74", for the first time ever, Hirsch's Senior Prom Committee held a Stuff-n-Things Rummage Sale, to help raise money for the Senior Prom. Stuff-n-Things was a real hit with the students, thanks to the supervision of Mr. Michaels. To express the Prom Committees appreciation we say take a look at what went on . . .

STUFF-N-THINGS

EXPO

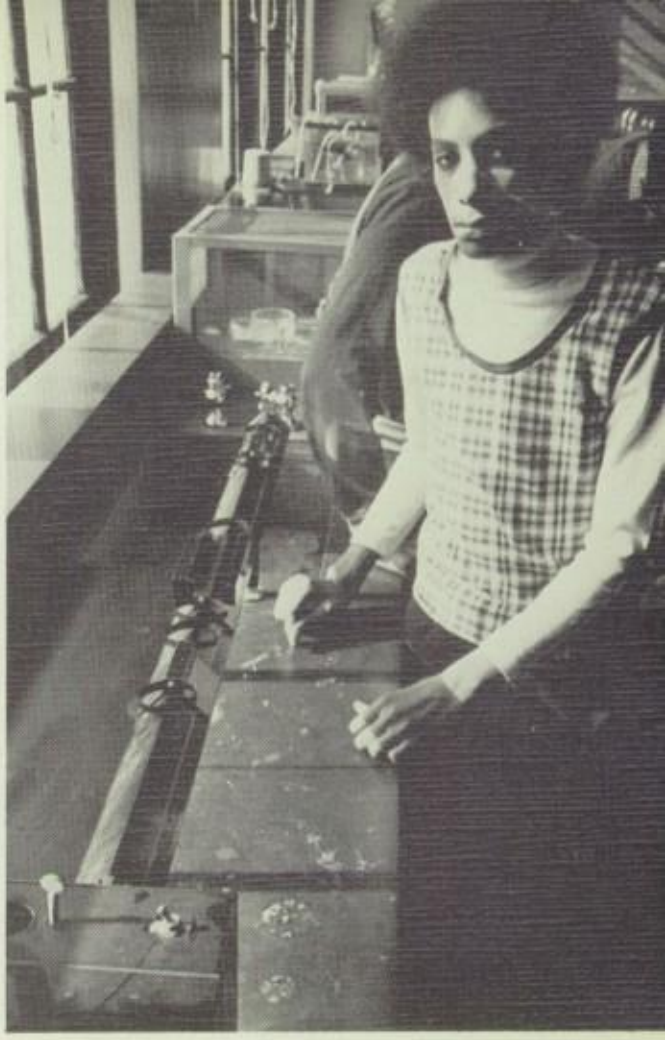
Operation Push Black Expo, held at the Amphitheatre this year was very informative, educational, and very entertaining. We even caught a few students from Hirsch at Expo. They did not go on a school trip, but Huskies concerned with the Black Community went on their own.

GOVERNOR STATE CONCERT

One way to help get over the winter blahs is to go to a good concert. The only thing better is to have the concert come to you. Thanks Mr. Hunter, for bringing this talented musical group to 7740.

I WANT YOU
FOR U.S.

Experimentation is the "in" thing, especially on the third floor at Hirsch. Science still holds many secrets. We don't know how many of these young people will continue in research, but we are sure that the methods they acquired here will aid them the rest of their lives.



SCIENCE FAIR

"I'll help."

"Want more, boys?"

"Didn't anyone ever tell you about Right Guard?"

"Let's do the bump."

"Can't always look good."

"Happiness is possession."

"Sure I'd be willing to take Joe Namath's place for the commercial."

Excedrin headache - Hirsch style.

Everybody was Kung Fu fighting.

FOR FUN

"No! No! I'm on your side."

"What'd you say about my girl friend?"
